**FY 2016-2019 TIP Adoption  
Requested by APC Staff**

**Staff Report  
April 9, 2015**

---

---

**The draft document can be viewed and downloaded from the APC Transportation TIP web page: <http://www.tippecanoe.in.gov/apc>. If you would like a paper copy, please call and we will bring it to you before the meeting.**

### **BACKGROUND AND REQUEST**

The Fiscal Year 2016-2019 Transportation Improvement Program (TIP) contains the Four-Year Program of Projects which lists all transportation projects proposed by Lafayette, West Lafayette, Tippecanoe County, Purdue University Airport, CityBus and INDOT. Estimated costs, type of federal funds, local funds, location, and type of work are shown for each project.

All local STP, HSIP and TAP federal funds as well as the Prior Year Balance funds have been allocated as shown in the Five Year Production Schedule. The document shows that the annual allocations for each year are completely programmed and that there are no balances carried over to future years. The draft document demonstrates fiscal constraint with a detailed explanation in Chapter 7.

Other sections of the TIP discuss the project selection process, the financial capacity of CityBus and local governments, the public and private participation process, environmental justice review, Americans with Disabilities Act project review, project performance review, Red Flag Investigation and Review, and ITS review. A short summary near the end of the report reviews the status of projects programmed in the previous TIP.

The formal public hearing was held at last month's Citizens Participation Committee on March 24, 2015.

### **STAFF RECOMMENDATION**

Recommend adoption of the FY 2016 - 2019 TIP by the Area Plan Commission.
